JavaScript, NodeJs, EcmaScript, JQuery, HTML5, CSS3, Sass,

Docker;

Others: Microsoft visual studio, VS code, Adobe Photoshop Books: «C# and .net framework» by Andrew Troelsen,

«CLR via C#» by Jeffrey Richter

ABOUT ME

I lived in USA around one year and got enough experience in communication with the native language speakers. Also I am hard-working, honest team player and good timekeeper, well-trained person and always willing to learn new skills. I like to travel and to have an active lifestyle. As per my hobbies I like riding a bike and snowboarding. At my spare time I prefer to spend a lot of time for self-education and reading books.
